**DIRECTIONS TO RECOMMENDED EXIT USING I-65 (INTERSTATE 65)**  
**RECOMMENDED EXIT ON I-65 IS 8 MILES NORTH OF DOWNTOWN NASHVILLE**

**\*The recommended exit from I-65 is exit #95 to Vietnam Veterans Parkway/Boulevard, Highway 386.**

→ **If coming South on I-65:** Unfortunately, there is NOT an exit to Vietnam Veterans Parkway when driving south on I-65. You have two main choices as you approach Nashville at about nine miles out from downtown.

(1) If willing to drive a smaller, two-lane road, you can take exit #97 and turn left onto Long Hollow Pike, which goes East for about 15 miles until joining with Vietnam Veterans Parkway, where you make a left turn onto the Parkway (though the Parkway starts sharing its name with Long Hollow Pike). (Go to the section of the Directions Part 2 below that starts with the turn onto Belvedere.)

(2) You can get off at exit 96 for Rivergate Parkway and turn left off the ramp going south on Rivergate Parkway. Go left soon on Rivergate Drive. Then go left on Conference Drive and follow signs to the right onto the Vietnam Veterans Parkway/Hwy. 386 going East towards Hendersonville/Gallatin. (Continue below at Part 2 of Directions.)

→ **If coming North on I-65,** go through downtown Nashville and go 8 more miles to exit #95.

-The exit #95 signs say, "Vietnam Veterans Parkway" and "Highway 386 Hendersonville/Gallatin."

-Take exit #95 which is the start of Vietnam Veterans Parkway/Boulevard. (Continue below at Part 2 of Directions.)

→ **If coming East (Southeast) on I-24,** you can merge with I-65 North about 4 miles north of downtown Nashville.

-The recommended exit is several miles further north from where you merge with I-65 North, so head north.

-The exit #95 signs say, "Vietnam Veterans Parkway" and "Highway 386 Hendersonville/Gallatin."

-Take exit #95 which is the start of Vietnam Veterans Parkway/Boulevard. (Continue below at Part 2 of Directions.)

→ **If coming West (Northwest) on I-24,** follow the signs on the interstate near downtown Nashville to join with I-65 North. You will pass through the downtown area and join with I-65 going north from downtown. The recommended exit is about 8 miles north of downtown Nashville.

-Take exit #232 which is for Hwy. 109 North going to the right.

(Continue below at Part 3 showing the alternate directions to the warehouse.)

→ **If coming East on Interstate I-40:**

Go towards downtown Nashville and follow the signs for I-65 North and then go north 8 miles to exit #95.

(If you want to bypass the downtown area, you can take Briley Parkway/Hwy. 155 (west of downtown) going north/east to get to I-65 North. You will go about 15 miles on Briley Parkway before reaching I-65. Go 5 miles up I-65 North.)

-The exit #95 signs say, "Vietnam Veterans Parkway" and "Highway 386 Hendersonville/Gallatin."

### **(PART 2 OF 2) FURTHER DIRECTIONS TO WAREHOUSE FROM I-65 / EXIT #95**

-After you have taken exit #95, you will go east/north about 15 miles east on Vietnam Veterans Parkway/Highway 386. You will pass through the Hendersonville area on the way to Gallatin.

-After about 15 miles, the road changes names to Long Hollow Pike, though it is still also called Highway 386.

-Take a right onto Belvedere Drive North (also called North Belvedere Drive) driving south on Belvedere.

-Go a third of a mile on Belvedere. If you get to Nationwide Studios, you have gone slightly too far.

-The warehouse is on your right just past a treeline, set back from the road. The building is two-tone in tan and medium brown. A brown sign says, "410 N. Belvedere Drive." There is a private street sign that says "Millican Drive/Private Drive" but that driveway/street name does not show up on Google maps. A yellow sign says, "Evacuation Area B." Another sign says, "For Lease." We hope to have our own signage there too.

-Take that driveway going down the right side of the building.

-DO NOT GO TO THE FRONT--no one will be there. GO TO THE BACK. The two docks are on the back side.

-There is a drive-in door if necessary if your vehicle is below a certain size. Moving trucks will likely not fit into the drive-in door.

### **ALTERNATE DIRECTIONS TO WAREHOUSE FROM I-40 IF DRIVING WEST ON I-40**

-Take exit #232 which is for Hwy. 109 North going to the right.

-As you pass the Cumberland River, Highway 109 also takes the second name South Water Avenue.

-After twelve miles, take a slight turn left (north) to continue on Highway 109 North; your left turn comes where Airport Road diverts to the right (but do not take Airport Rd.). Go a little over a mile further on Hwy. 109.

-Follow signs onto exit for Highway 31E going South/West. Highway 31E is also called Gallatin Road/Johnny Cash Parkway/West Main Street. Go a little over half a mile on 31E.

-Take a right onto Belvedere Drive North (also called North Belvedere Drive). Go half a mile, just past Nationwide Studios.

Another sign says, "For Lease." We hope to have our own signage there too.

-Take that driveway going down the right side of the building.

-DO NOT GO TO THE FRONT--no one will be there. GO TO THE BACK. The two docks are on the back side.

-There is a drive-in door if necessary if your vehicle is below a certain size. Moving trucks will likely not fit into the drive-in door.

### **DON'T BE CONFUSED BY HIGHWAY 31E**

-Further down on a map, Hwy. 31E joins briefly with Briley Parkway/Hwy. 155, but Briley Parkway is NOT the same road as Hwy. 31E/Gallatin Road/Nashville Pike.
